(Agent Martin Thorsted and Agent Moises Mascorro)

On 9-18-14, I was assigned as surveillance team #2 during court authorized court order 14-MR288JP. My surveillance shift was from 0900 hours to 1700 hours. My duties and responsibilities as surveillance team #2 were to gather photos and travel patterns to link the target to a cell phone by way of ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) On this date, the aforementioned personnel were assigned to conduct ground surveillance on Jose ROYBAL Jr.

At approximately 0842 hours we observed no vehicles at 6 Lil Lou's Avenue. We informed Sergeant Bobnock and were advised to stay at the residence until more information as to Jose ROYBAL's location.

At approximately 1126 hours we were informed by the wire room Jose ROYBAL Jr. was at Walmart working. We discontinued surveillance at the residence and drove to the Walmart in Espanola. At approximately 1150 hours we arrived at our surveillance position in the Walmart parking lot. I entered the Walmart to visually confirm Jose ROYBAL Jr. was physically in the store. After obtaining confirmation I exited the Walmart and returned to the surveillance vehicle. I informed the wire room of the visual confirmation. Jose ROYBAL Jr. was wearing dark blue pants, dark blue short sleeve t-shirt and a dark blue vest with a yellow Walmart flower logo on the back.

At approximately 1257 hours we observed the white Nissan truck bearing NM MYK888 driven by an older Hispanic male with two passengers enter the Walmart parking lot. The two passengers were a young teenage female and a young teenage male. The Nissan parked and all three occupants entered the Walmart.

At approximately 1315 hours Jose ROYBAL Jr and the three occupants of the Nissan exited Walmart and returned to the Nissan. We observed the hood of the Nissan go up and go down a few minutes later. The Nissan exited the Walmart parking lot. We followed the Nissan to the Walgreens south of the Walmart. Jose ROYBAL Jr and the three occupants entered the store.

At approximately 1340 hours all returned to the Nissan and left the Walgreens parking lot. We followed the Nissan to the El Centro Family Health building. At approximately 1352 hours Jose ROYBAL Jr exited the Nissan and entered the building alone. The Nissan with the three original occupants exited the parking lot and drove out of site.

At approximately 1420 hours Jose ROYBAL Jr exited the building with two young teenage females. At approximately 1426 the Nissan entered the parking lot with older male driving and older female (mother) in front passenger seat. The young male and female were in the back seat. The older female exited the truck and Jose ROYBAL Jr entered the truck back seat area. The older female re-entered the Nissan and the truck exited the parking lot. The two females left the area on foot. We followed the Nissan to the residence at 6 Lil Lou's Road. We continued surveillance from a vantage point up the street.

### **PERSONNEL INVOLVED**

(Special Agent, SA George Nassour,(SA) Jeremy Stricklin, )

On 19 Sep 2014, I was assigned to conduct surveillance during court authorized court order 14-MR288JP. My surveillance shift was from 1630 hours 19 Sep 2014 to 1253 hours on 19 Sep 2014. My duties and responsibilities were to gather notes and reports with the aforementioned Special Investigations Division Agent regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) I participated in the ground surveillance conducted. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nicholas ORTIZ.

### **Session N/A**

The surveillance team took over watch on the subject's house at approximately 1630 hours on 19 Sep 2014. Various locations were scouted for best view points and departure routes were traveled and familiarized. While conducting surveillance at 1658 hours, we observed a white four door vehicle at Nicholas Ortiz's residence, we could not see the license plate on the vehicle, the best guess was it was a Sion. An older female exited the residence and got into the front passenger seat of the vehicle and the vehicle then left the residence at 1700 hours.

1756 hours, a male subject which appeared to be Nicholas Ortiz's father got into the black Envoy, and a female approximately 20 years old got into the passenger seat and the vehicle left the residence. At 1850 hours the black Envoy returned and, occupied by only the male subject. He exited the vehicle and entered the house.

2101 hours, the red Ford mustang license plate MLP309 arrived at the residence. Due to the darkness we could not see who exited the vehicle.

No other activity was noted upon departure and surveillance was discontinued at 1253 hours.

### **PERSONNEL INVOLVED**

(Agent Paul Vaughan and Agent Charles A. Boylston)

On 9-19-14, I was assigned to assist with the surveillance of Jose ROYBAL Jr. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Jose.

Prior to starting shift, I was contacted by Agent Martin Thorsted with the first surveillance team. He advised they were observing Jose at his residence. Agent Vaughan and I then traveled towards their location.

Upon our arrival we spoke with Agent Thorsted and we were briefed as to the occurrence of events for the day. We were then given a hand held radio and camera. After speaking with Agent Thorsted, Agent Vaughan took up our observation position.

During our shift we observed multiple vehicles travel down Lil Lou's Avenue. We were unable to determine who was driving the vehicle due to it being dark.

We did not observe anything that involved Jose during our shift.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

### **PERSONNEL INVOLVED**

(Agents Paul Vaughan and Charles Boylston)

On September 20, 2014, Agent Charles Boylston and I were directed to conduct surveillance on Jose Roybal. Our shift was from 1700 hours to 0100 hours. We relieved the previous surveillance shift at approximately 1720 hours at Mr. Roybal's residence located at 6 Lil Lou's Santa Fe, NM. The following is a synopsis of what took place during our shift and the corresponding times.

1720 hours: Agent Boylston and I arrive at the area of 6 Lil Lou's and relieve Agent Thorstead. He told us Jose Roybal was in Espanola at the hospital where his girlfriend was giving birth. He said the white Nissan pickup had come and gone a couple times during the day.

## **NARRATIVE**

### **PERSONNEL INVOLVED**

(Sergeant Matthew Martinez, Agent Eric Armijo)

On 09-23-14, I was assigned to perform surveillance during court authorized court order?????????. My surveillance shift was from 0900 hours to 1700 hour but was extended until 2000 hours because the night shift agents were working on a search warrant. My duties and responsibilities as part of the surveillance team were to gather intelligence regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Jose Roybal Jr.

### **Day Session, Sept. 23<sup>rd</sup>, 2014**

At approximately 9:31 a.m., Sergeant Martinez and I arrived at the target address located at 6 Lil Lou's Avenue in El Rancho, New Mexico. As we arrived, I observed a white Nissan pickup parked in front of the residence with the hood up. I did not observed anyone around. Sgt. Martinez and I left the residence and drove around El Rancho.

At approximately 10:45 a.m., we arrived back at the residence where we observed the same vehicle in the same position. Again we did not observed Jose ROYBAL nor anyone else. We left the area at approximately 11:07 a.m. to check if the mother was working at Subway.

At approximately 11:18 a.m., I walked into Subway in Pojoaque, N.M. and confirmed the mother was at work. We then drove back to the residence.

At approximately 1:44 p.m., we observed the white Nissan pickup leave the residence. I only observed Jose ROYBAL's father driving. There were no other occupants inside the vehicle.

At approximately 2:38 p.m., the Nissan returned to the residence. Inside the vehicle I observed the father driving. The mother was sitting in the right front seat. Sgt. Martinez observed the younger son sitting behind the driver. We did not observed Jose ROYBAL.

At approximately 2:57 p.m., the same three occupants left the residence. There was a couch loaded in the bed of the Nissan. Because we did not observed Jose ROYBAL in the vehicle, we did not follow it.

The Nissan returned home at approximately 3:36 p.m. with the father, mother, and younger son. We did not observe Jose Roybal. At approximately 3:40 p.m., the same individuals left the residence in the Nissan.

As of 6:38 p.m., neither the vehicle nor the family had returned home. No other activity was observed at the residence.

## **NARRATIVE**

### **PERSONNEL INVOLVED**

(Agent Agent Charles A. Boylston)

On 9-24-14, I was assigned to assist with the surveillance of Nick ORTIZ. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Nick.

Prior to starting shift, I was contacted by Agent Martin Thorsted with the first surveillance team. He advised they were observing Nick at his residence. I then traveled towards their location.

Upon our arrival we spoke with Agent Thorsted and I was briefed as to the occurrence of events for the day. I was then given a hand held radio and camera. After speaking with Agent Thorsted, I took up my observation position.

At 1816 a blue mustang picks up Nick at his residence. We were unable to determine who was driving the vehicle. We then followed the vehicle to McDonald's and observed both Nick and the driver exit and go inside.

At 1855 both Nick and the driver leave McDonald's and travel back to Nick's residence.

At 1905 they arrive at the residence and Nick exits the vehicle and goes inside. The blue mustang then leaves.

We did not observe anything that involved Nick during the rest of our shift.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

### **PERSONNEL INVOLVED**

(Agent Agent Charles A. Boylston)

On 9-26-14, I was assigned to assist with the surveillance of Nick ORTIZ. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Nick.

Prior to starting shift, I was contacted by Agent Martin Thorsted with the first surveillance team. He advised they were observing Nick at a Bio Center on Cerrillos Road. I then traveled towards their location. Agent Thorsted then made contact with me and informed me they were unable to maintain a visual of Nick. I then traveled towards Nick's house and started my shift on the frontage road.

At 1837 the black suv leaves Nick's and we followed the vehicle to the Discount liquor and restaurant.

At 2034 the black suv arrives and parks in front of the house.

At 2153 the red mustang with black hood arrives to Nick's residence.

At 2157 the red mustang leaves the residence.

At 2330 the red mustang arrives back to the residence.

We did not observe anything that involved Nick during the rest of our shift.

At 0100 we left the area and traveled back to our designated area and turned over all information.

This concludes today's surveillance operation. Nothing further to report.

### **PERSONNEL INVOLVED**

#### **Session**

I, Agent Nicholas Levine with the New Mexico State Police Investigations Bureau (Santa Fe) along with Sergeant Alvino Vigil NMSP-IB (Santa Fe) arrived in the Pojoaque area at around 9:00. I was informed that we would be conducting area surveillance of Jose Roybal and were to just be in the area and not actively following him. Between the hours of 9:00 a.m. and 5:00 p.m. I remained in the area of Pojoaque, NM and was to remain mobile in the event that I was needed to attempt to locate Jose Roybal. During that timeframe I never visually identified him nor was contacted by Captain Wagoner that I was to attempt to locate him.

### **PERSONNEL INVOLVED**

(Special Agent, SA George Nassour,(SA) Jeremy Stricklin, )

On 30 Sep 2014, I was assigned to conduct surveillance during court authorized court order 14-MR288JP. My surveillance shift was from 1630 hours 30 Sep 2014 to 0048 hours on 01 Oct. 2014. My duties and responsibilities were to gather notes and reports with the aforementioned Special Investigations Division Agent regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) I participated in the ground surveillance conducted. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nicholas ORTIZ.

### **Session N/A**

The surveillance team took over watch on the subject's house at approximately 1630 hours on 30 Sep 2014. Various locations were scouted for best view points and departure routes were traveled and familiarized. While conducting surveillance at 1656 hours, we observed the Envoy leave the residence with a female driver, resembling the mother. At 1722 hours a blue Ford Mustang arrived at the house, unknown license plate. At 1758 the envoy returned with two females inside of it. At 1812 hrs another blue Ford Mustang arrived, this was driven by "Javi". At 19103 hours the red Mustang left the residence. At 1936 the red mustang along with another blue mustang arrived at the residence. At 2035 hours all three blue mustangs left the residence at once turning northbound out of the driveway and then turning onto the frontage road. At the frontage road Javi turned southbound and the other two mustangs turned northbound. I made a traffic stop on the 2007 ford Mustang license plate 270 RZK for having a defective brake lamp. The driver was identified as Adrian Vasquez, DOB ████████94, NMDL ████████947. He would not speak to me about anything concerning being at Nicholas Ortiz's residence. I issued a warning citation and released him Agent Stricklin returned to the residence to conduct surveillance. I also returned to the residence at 2050 hours.

No other activity was noted upon departure and surveillance was discontinued at 0048 hours.
